

29/1 Gloucester Avenue Burwood NSW

2  2  1 

Adela is a series of premium apartments located in the vibrant suburban area of Burwood in the city center, offering convenient transportation and showcasing a modern lifestyle that provides practical flexibility for the future.

The project is unique and addresses both internal and external issues in functionality, perfectly balancing the proximity to the bustling city with the tranquility of the suburbs, making it a true idyllic home.

The carefully crafted structure of Adela, provided by PBD Architects, aims to create a harmonious and peaceful living environment with spaces that cater to various practical considerations of daily life.

The minimalist yet modern interior design is meticulously
