

10C/88 Barangaroo Avenue Barangaroo NSW

1  1 

The three striking residential towers that comprise One Sydney Harbour are the final piece of Barangaroo South's transformation. More than ten years in the making, Lendlease's commitment to this incredible precinct has seen Sydney's iconic waterfront become a world-class destination.

The finale, One Sydney Harbour, features three towers, Residences One, Two and Watermans Residences designed by Pritzker Prize winning master architect Renzo Piano, in collaboration with Lendlease. One Sydney Harbour has set a new benchmark in luxury living.

To live in One Sydney Harbour is to experience living in the air, living in the light, suspended between the water and sky, almost flirting with the breeze.
